

Chameleon Coloring Song

I'm a chameleon come and you'll see
How I can change when you color me
Color me red, green and blue
Color me orange and purple too

I'm a chameleon and you are free
To use a crayon to color me
Color me brown, color me yellow
Color me so I'm a pink little fellow

I'm not so fond of black and white stuff
And somehow gray isn't quite bright enough

I'm a chameleon, stunning to see
When you have finished coloring me
